Dear Mr. Johnson:

On several occasions, the most recent being May 27, 2009, the parties met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance concerns reassignment of a non-Saturday relief day to another non-Saturday relief day in an office where the relief days have been appropriately changed in accordance with Article 9.2.C.5.d.

The parties agree that once the non-Saturday relief day is assigned to a route through the procedure outlined in Article 9.2.C.5.d., that relief day remains as the assigned relief day for the route unless otherwise provided in the National Agreement.

There are a limited number of circumstances that will necessitate the reassignment of a non-Saturday relief day to a different non-Saturday relief day, such as the need for an additional assignment for a part-time flexible rural carrier or when a single non-Saturday relief day is assigned to more routes than a Saturday relief day.

Based upon the fact circumstances in the instant case, the non-Saturday relief day on rural route 15 will be returned to Monday.

Please sign and return the enclosed copy of this letter as your acknowledgement of agreement to settle this case.

Time limits were extended by mutual consent.
